## About our venue

20 meeting rooms are available on rent at MeetingPackage Hotel. The meeting facilities can accommodate between 1 to 1500 delegates. You can see room specific details by clicking "show details" link on the meeting rooms.

With both small and large rooms available, the venue can accommodate everything from small company meetings to larger events. When in need of privacy, whether it is for a board room meeting or interview, this venue will be the perfect option. This venue offers all basic meeting room facilities including WiFi. Please see the room details for more information.

Located close to the motorway with sufficient parking space - reach this venue easily by car. Larger groups coming with a bus can also take advantage of the provided coach parking. The venue, which provides ramp access and disabled facilities, facilitates those with reduced mobility or disabilities.
